**Independent Auditor's Report on Standalone Annual Financial Results of the Capital Infra Trust (formerly known as 'National Infrastructure Trust') ('the Trust') pursuant to the Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (as amended) and SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025**

**To the Board of Directors of Gawar Investment Manager Private Limited (As the Investment Manager of Capital Infra Trust)**

## **Opinion**

1. We have audited the accompanying standalone annual financial results ('the Statement') of Capital Infra Trust (formerly known as 'National Infrastructure Trust') for the year ended 31 March 2026 attached herewith, being submitted by the Gawar Investment Manager Private Limited ('the Investment Manager of the Trust') pursuant to the requirements of Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (as amended) (hereinafter referred to as 'the SEBI Regulations'), read with the SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025 ('SEBI Master Circular').
2. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
  - (i) presents financial results in accordance with the requirements of Regulation 23 of the SEBI Regulations read with the SEBI Master Circular in this regard; and
  - (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) ('Ind AS') and other accounting principles generally accepted in India, of the standalone net profit after tax and other comprehensive income and other financial information of the Trust for the year ended 31 March 2026.

## **Basis for Opinion**

3. We conducted our audit in accordance with the Standards on Auditing and other pronouncements issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

## **Responsibilities of Investment Manager and Those Charged with Governance for the Statement**

4. This Statement has been prepared on the basis of the standalone annual financial statements and has been approved by the Board of Directors of the Investment Manager of the Trust. The Investment Manager of the Trust is responsible for the preparation and presentation of the Statement that gives a true and fair view of the standalone net profit and other comprehensive income and other financial information of the Trust in accordance with the accounting principles generally accepted in India including the Ind AS and in compliance with the SEBI Regulations read with the SEBI Master Circular. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
5. In preparing the Statement, the Board of Directors of the Investment Manager of the Trust is responsible for assessing the ability of the Trust to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the Board of Directors of Investment Manager of the Trust either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.
6. The Board of Directors of the Investment Manager of the Trust is also responsible for overseeing the financial reporting process of the Trust.

## **Auditor's Responsibilities for the Audit of the Statement**

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing issued by the ICAI, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
8. As part of an audit in accordance with the Standards on Auditing issued by the ICAI, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Trust has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls;
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Investment Manager of the Trust;

## Independent Auditor's Report on Standalone Annual Financial Results of the Capital Infra Trust (formerly known as 'National Infrastructure Trust') ('the Trust') pursuant to the Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (as amended) and SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025 (Cont'd)

- Conclude on the appropriateness of the use of the going concern basis of accounting by the Board of Directors of Investment Manager of the Trust and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Trust to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern; and
  - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Other Matters

11. The Statement includes the standalone financial results for the quarter ended 31 March 2026, being the balancing figures between the audited standalone figures in respect of the full financial year and the published unaudited year-to-date standalone figures up to the third quarter of the current financial year, which were subject to limited review by us.
12. The Statement includes standalone figures for the corresponding quarter ended 31 March 2025, being the balancing figures between the audited standalone figures in respect of the full financial year and the unaudited year-to-date standalone figures up to the third quarter of the previous financial year, which have been approved by the Board of Directors of Investment Manager of the Trust, but have not been subjected to audit or review.

\* The distribution relates to the distributions made during the year and does not include the distribution relating to the last quarter of the respective financial year (i.e. quarter ended 31 March 2026 and quarter ended 31 March 2025) which is subsequently paid after 31 March 2026 and 31 March 2025 respectively. The distributions made by Trust to its unitholders are based on the Net Distributable Cash Flows ('NDCF') of the Trust under the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (SEBI Regulations).

<sup>A</sup>In terms of Clause 4.2.8(b) of the SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025, the Trust is required to regroup the figures for Retained Earnings (under Other Equity) as a separate line item on the face of the Standalone Statement of Assets and Liabilities. Accordingly the Trust has regrouped the Repayment of Capital from Retained earnings to Distribution-Repayment of Capital.

## Independent Auditor's Report

To the Unitholder's of Capital Infra Trust (formerly known as National Infrastructure Trust)

### Report on the Audit of the Standalone Financial Statements

#### Opinion

1. We have audited the accompanying standalone financial statements of Capital Infra Trust (formerly known as National Infrastructure Trust) ('the Trust'), which comprise the Standalone Balance Sheet as at 31 March 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flows, the Standalone Statement of Changes in Unit Holders Equity and the Standalone Statement of Net Distributable Cash Flows for the year then ended, and notes to the standalone financial statements, including a material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Securities and Exchange Board of India (Infrastructure Investment Trust) Regulation, 2014 as amended from time to time ('SEBI Regulations') including SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025 ('SEBI Master Circular') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards as defined in the Rule 2(1)(a) of the companies (Indian Accounting Standards) Rules, 2015 (as amended) ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Trust as at 31 March 2026, and its profit (including other comprehensive income), its cash flows, changes in unitholder's equity and net distributable cash flows for the year ended on that date.

#### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing and other pronouncements issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the ICAI, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Considering the importance of the disclosure required under the SEBI Regulations to the users of the standalone financial statements, significant management judgement involved in determining the fair value of the assets of the Trust, the aforesaid computation and disclosure has been considered as a key audit matter for the current year audit. | <p>d) Involved an auditor's valuation expert to assess the appropriateness of the valuation methodology and reasonableness of assumptions applied by management's expert in determining the fair value such as weighted average cost of capital (in particular, the underlying parameters such as risk-free return, market return, risk premium and beta);</p> <p>e) Assessed the reasonableness of the key assumptions and appropriateness of the key drivers of the cash flow forecasts as approved by the Investment Manager of the Trust considered in aforesaid valuations (in particular, cash inflow projections, routine maintenance projections and recurring expenses amongst other inputs);</p> <p>f) Discussed and evaluated, potential changes in key drivers as compared to previous year / actual performance, with management to test consistency and historical accuracy of such assumptions used in cash flow forecasts;</p> <p>g) Evaluated management's assumptions by performing sensitivity analysis around the key assumptions to ascertain estimation uncertainty involved;</p> <p>h) Tested arithmetic accuracy of cash flows projections and sensitivity analysis; and</p> <p>i) Evaluated the appropriateness and adequacy of disclosures for compliance with the relevant requirements of SEBI regulations read with SEBI Master Circular.</p> |

## Information other than the Standalone Financial Statements and Auditor's Report thereon

6. The Board of Directors of the Investment Manager of the Trust are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

**Independent Auditor's Report on even date to the unitholder's of Capital Infra Trust (formerly known as 'National Infrastructure Trust') on the standalone financial statements for the year ended 31 March 2026 (cont'd)**

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## **Responsibilities of Investment Manager and Those Charged with Governance for the Standalone Financial Statements**

7. The accompanying standalone financial statements have been approved by the Board of Directors of the Investment Manager of the Trust. The Investment Manager of the Trust is responsible for the matters with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows, changes in unitholders' equity and net distributable cash flows of the Trust in accordance with the accounting principles generally accepted in India including the Ind AS and the SEBI Regulations read with the SEBI Master Circular. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the standalone financial statements, the Board of Directors of the Investment Manager of the Trust is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors of the Investment Manager of the Trust either intend to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors of the Investment Manager of the Trust is also responsible for overseeing the financial reporting process of the Trust.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing, issued by the ICAI, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
11. As part of an audit in accordance with Standards on Auditing issued by the ICAI we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Trust has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Investment Manager of the Trust;
  - Conclude on the appropriateness of use of the going concern basis of accounting by the Board of Directors of the Investment Manager of the Trust and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Trust to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern; and
  - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

15. Based on our audit, and as required by the SEBI Master Circular, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
  - b) the Standalone Balance Sheet and the Standalone Statement of Profit and Loss (including Other Comprehensive Income) are in agreement with the books of account of the Trust;

**Ind AS 21 "Lack of exchangeability"**

MCA via notification dated 07 May 2025, announced amendments to Ind AS 21, The effects of Changes in Foreign Exchange Rates, to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The Trust has reviewed the new pronouncement and based on its evaluation has determined that these amendments do not have a significant impact on the Trust's Standalone Financial Statements.

**Ind AS 1, Classification of liabilities as current or non-current liabilities with covenants**

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1, Presentation of Financial Statements, which elaborate on guidance set out in Ind AS 1 by:

- Clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period;
- Must have substance; and
- Must exist at the end of the reporting period;
- Stating that management's expectations around whether the settlement of a liability would be deferred or not, does not impact the classification of the liability;
- Including requirements of liabilities that can be settled using an entity's own instruments; and
- Stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current and non-current.

In addition an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The Trust has no impact of these amendments in its classification criteria of current and non-current liabilities.

**Ind AS 7, Statement of Cash Flows and Ind AS 107, Supplier finance arrangements: Disclosures**

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instrument: Disclosures and which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk. The Trust has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

**Ind AS 12 – International tax reform – pillar two model rules**

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12, Income taxes, which includes:

- A temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the pillar two model rules; and
  - Additional disclosure requirements targeted at a reporting entity's exposure to income taxes in period in which the pillar two model legislation is enacted or substantively enacted but not yet in effect.
- The Trust has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

### 3 Material accounting policy information

#### a. Overall consideration

The standalone financial statements have been prepared using the material accounting policy information and measurement bases summarised below. These were used throughout all periods presented in the standalone financial statements.

##### Basis of preparation and presentation

The standalone financial statements of the Trust have been prepared in accordance with the Indian Accounting Standards as defined in the Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), other accounting principles generally accepted in India and Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014, as amended from time to time ('SEBI Regulations') including SEBI master circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July, 2025 (hereinafter referred to as "SEBI Master Circular") (as amended). The Trust has uniformly applied the accounting policies during the periods presented.

The Standalone financial statements are presented in India Rupees which is also the functional currency of the Trust and all values are rounded to the nearest millions, unless otherwise indicated. Certain amounts that are required to be disclosed and do not appear due to rounding-off are expressed as 0.00.

These Standalone Financial Statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the standalone financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities, which are measured at fair values as explained in relevant accounting policies.

The Standalone financial statements for the year ended 31 March 2026 were authorized and approved for issue by the Board of Directors of Gawar Investment Manager Private Limited (the "Investment Manager") of the Trust on 19 May 2026. The revision to the financial statements is permitted by the Board of Directors of the Investment Manager after obtaining necessary approvals or at the instance of regulatory authorities.

#### b. Use of estimates and judgements

The preparation of standalone financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the standalone financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period. An overview of the areas that involve a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed have been disclosed below. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the standalone financial statements.

Estimate and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under circumstances.

The estimates and assumptions that have significant risk of causing a material adjustment to the carrying amount of assets and liabilities are disclosed below:

#### i. Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

#### ii. Evaluation of indicators for impairment of assets

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

#### iii. Recoverability of loans/ receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

#### iv. Impairment of investments and loans

Impairment exists when the carrying value of an asset exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The recoverable amounts for the investments and loans are based on value in use of the underlying projects. The value in use calculation is based on a Discounted Cash Flows ("DCF") model. The cash flows are derived from forecasts over the life of the projects of SPVs.

#### v. Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. The Trust engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of investments are disclosed in the notes to standalone financial statements.

#### vi. Fair valuation and disclosures

SEBI Master Circular issued under the SEBI Regulations requires disclosures relating to net assets at fair value and total returns at fair value. In estimating the fair value of investments in subsidiaries (which constitute substantial portion of the net assets), the Trust engages independent qualified external valuers to perform the valuation. The Investment Manager of the Trust works closely with the valuers to establish the appropriate valuation techniques and inputs to the model. The inputs to the valuation models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as weighted average cost of capital ("WACC"), tax rates, inflation rates etc. Changes in assumptions about these factors could affect the fair value.

#### vii. Income taxes

The Trust's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

#### viii. Contingent liabilities

The Trust is the subject of legal proceedings and tax issues covering a range of matters, which are pending in various jurisdictions. Due to the uncertainty inherent in such matters, it is difficult to predict the final outcome of such matters. The cases and claims against the Trust often raise difficult and complex factual and legal issues, which are subject to many uncertainties, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law. In the normal course of business, management consults with legal counsel and certain other experts on matters related to litigation and taxes. The Trust accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated.

(This space has been intentionally left blank)

**c. Basis of classification as current and non-current**

The Trust presents assets and liabilities in the Standalone Balance Sheet based on current/non current classification.

An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets have been classified as non current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Trust classifies all other liabilities as non current.

Deferred tax assets and liabilities are also classified as non-current assets and liabilities.

Operating cycle of the Trust is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. As the Trust's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

**d. Revenue recognition**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Trust expects to be entitled in exchange for those goods or services. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Trust and the revenue can be reliably measured, regardless of when the payment is being made.

The specific recognition criteria described below must also be met before revenue is recognized:

**Interest income**

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Trust and the amount of income can be measured reliably. Interest is accrued on time proportion basis, by reference to the principle outstanding at the effective interest rate.

**Dividend income**

Income from dividend is accrued in the year in which it is declared, whereby the Trust's right to receive is established.

**Other operating income/other income**

All other operating income/income is recognized on accrual basis when no significant uncertainty exists on their receipt.

**e. Provisions and contingent liabilities**

Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for possible obligations which will be confirmed only by future events not wholly within the control of the Trust; or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are disclosed only when inflow of economic benefits therefrom is probable and recognized only when realization of income is virtually certain.

**f. Investments in subsidiaries**

The Trust accounts for its investments in equity share capital of subsidiaries at cost less accumulated impairment losses, if any in accordance with Ind AS 27, Separate Financial Statements ('Ind AS 27').

**g. Financial instruments**

**Initial recognition and measurement**

All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivable that do not contain a significant financing component are measured at transaction price determined under Ind AS 115.

**Subsequent measurement**

**i. Financial assets at amortised cost-** A financial instrument is measured at amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest method.

**De-recognition of financial assets**

A financial asset is primarily de-recognised when the right to receive cash flows from the asset have expired or the Trust has transferred its rights to receive cash flows from the asset.

(This space has been intentionally left blank)

#### Financial liabilities

##### Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

##### Subsequent measurement

After initial recognition, the financial liabilities are subsequently measured at amortised cost using effective interest method. Amortised cost is calculated after considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The effect of EIR amortisation is included as finance costs in the statement of profit and loss.

##### De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

##### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### h. Fair value measurement

The Trust measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Trust.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. Refer note 30 for fair value hierarchy.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

**Level 1** — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

**Level 2** — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

**Level 3** — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the standalone financial statements on a recurring basis, the Trust determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets such as investments and loans, where required. Involvement of external valuers is decided by the Trust on a need basis and relevant approvals. The valuers involved are selected based on criteria like market knowledge, reputation, independence and professional standards. The Trust after discussion with the external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the Trust analyses the movement of assets and liabilities which are required to be remeasured or reassessed as per the Trust's accounting policies. For this analysis, the Trust verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management in conjunction with the external valuers also compares the change in fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Trust has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures of Statement of Net Assets at fair value and Statement of Total Returns at fair value (refer note 37)
- Quantitative disclosures of fair value measurement hierarchy (note 30)
- Financial instruments (including those carried at amortized cost) (note 31).

#### i. Impairment of financial assets

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets.

In accordance with Ind-AS 109, the Trust applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets carried at amortised cost.

ECL is the weighted average of difference between all contractual cash flows that are due to the Trust in accordance with the contract and all the cash flows that the Trust expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Trust is required to consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets; and
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

(This space has been intentionally left blank)

**Other financial asset**

In respect of its other financial assets, the Trust assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the SPV Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Trust uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Trust compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Trust assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

**Trade receivables**

In respect of trade receivables, the Trust applies the simplified approach of Ind AS 109 'Financial Instruments', which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

**j. Borrowing costs**

Borrowing cost include interest calculated using the effective interest method, amortization of ancillary costs and other costs the Trust incurs in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption. All other borrowing costs are charged to the statement of profit and loss as incurred.

**k. Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**l. Net Distributable cash flows to unit holders**

The Trust recognises a liability to make cash distributions to unit holders when the distribution is authorised and a legal obligation has been created. As per the SEBI Regulations, a distribution is authorised when it is approved by the Board of Directors of the Investment Manager. A corresponding amount is recognised directly in equity.

**m. Statements of net assets at fair value**

The disclosure of Statement of Net Assets at Fair Value comprises of the fair values of the total assets and book values of the total liabilities of the Trust. The fair value of the assets is reviewed by the management, derived based on the fair valuation reports issued by the independent valuer appointed under the SEBI (Infrastructure Investments Trust) Regulation, 2014 (SEBI regulations). The independent valuers are leading valuers with a recognized and relevant professional qualification as per SEBI regulations and valuation assumptions used are reviewed by the management at each balance sheet date.

**n. Statement of total returns at fair value**

The disclosure of total returns at fair value comprises of the Total Comprehensive Income as per the Statement of Profit and Loss and Other Changes in Fair Value not recognized in Total Comprehensive Income. Other changes in fair value are derived based on the fair valuation reports issued by the independent valuer appointed under the SEBI regulations.

**o. Unit holders equity and distribution**

Under the provisions of the SEBI Regulations, Trust is required to distribute to Unitholders not less than ninety percent of the net distributable cash flows of Trust for each financial period. Accordingly, a portion of the unitholders' equity contains a contractual obligation of the Trust to pay to its Unitholders cash distributions. The Unitholders' equity could therefore have been classified as compound financial instrument which contain both equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation.

However, in accordance with SEBI master circular SEBI/HO/DDHS-PoD-2/PCIR/2025/102 dated 11 July 2025 (as amended) issued under the SEBI Regulations, the unitholders' equity have been classified as equity in order to comply with the mandatory requirements of SEBI Master Circular dealing with the minimum disclosures for key financial statements. In line with the above, the distribution payable to unitholders is recognized as liability when the same is approved by the Investment Manager.

**p. Contributed equity**

Units are classified as equity. Incremental costs attributable to issue of units are directly recorded in equity, net of tax.

**q. Earnings per unit**

Basic earnings per unit is calculated by dividing the net profit or loss attributable to unit holders of the Trust (after deducting preference dividends and attributable taxes if any) by the weighted average number of units outstanding during the period.

For the purpose of calculating diluted earnings per unit, the weighted average number of units outstanding during the period are adjusted for the effects of all dilutive potential units.

#### Notes:

- For assets pledged as security, refer note 27.
- The Trust has pledged 51% of its investment in equity shares in favour of debenture holders.
- Pursuant to the Share Purchase Agreements dated 26 December 2024, the Trust has acquired 9 SPVs on 14 January 2025 (the acquisition date), for an equity consideration of ₹ 16,494.60 million from Gawar Construction Limited (Sponsor) namely "GRJHPL", "GRSHPL", "GKBHPL", "GNHPL", "GKNHPL", "GNHPL-II", "DUHPL", "HHHPL", "GBHPL". The Trust has issued its 16,66,12,200 units in exchange of 100% equity stake in 9 SPVs.
- During the year ended 31 March 2026, the Trust carried out a Qualified Institutional Placement ("QIP") and issued 17,28,90,733 Units at a price of ₹ 72.30 per unit, aggregating to ₹ 12,500.00 million. Out of the total proceeds, ₹ 4,383.82 million has been utilized towards the acquisition of 100% shareholding in the Hasanpur Bakhtiyarpur Highway Private Limited, JRR Highways Private Limited, and Korba Highway Private Limited (together known as "Target SPVs") — from Gawar Constructions Limited ("Sponsor"), and ₹ 8,116.18 million has been used for repayment / prepayment, of outstanding senior debt from external lenders and unsecured loans availed by these Target SPVs from the Sponsor.
- During the year ended 31 March 2026, pursuant to the Share Purchase Agreements ("SPAs") dated 26 December 2024, the Sponsor has agreed to indemnify the Trust against losses arising from any differences between the GST Change in Law ("CIL") claims submitted by the Project SPVs namely GKBHPL, GKNHPL, GRSHPL and GRJHPL to the National Highways Authority of India ("NHA") and the amounts approved or paid by NHA. The aggregate GST CIL claims submitted by the Project SPVs amounted to ₹ 3,834.86 million, of which ₹ 3,116.56 million has been approved by NHA. In accordance with the SPAs, the resulting gross indemnifiable amount of ₹ 718.30 million was discounted to its present value of ₹ 454.76 million, which became due and was settled during the year ended 31 March 2026. The same has been netted off from non-current investments in the standalone financial statements.
- During the year ended 31 March 2026, in case of its subsidiary i.e. Gawar Nainital Highways Private Limited (SPV), there was change in completion cost by National Highways Authority of India retrospectively, which affected all past and future payments of annuity and interest on annuity resulting in loss of ₹ 70.77 million (discounted value). The said loss has been covered under indemnity provided by GCL to the Trust under aforesaid share purchase agreement. Accordingly, the Trust has claimed the said amount from the Sponsor, and the same has been duly indemnified by the Sponsor. The same has been netted off from non-current investments in the standalone financial statements.

**(i) Terms/rights attached to unit capital:**

Subject to the provisions of the SEBI Regulations, the indenture of fund, and applicable rules, regulations and guidelines, the terms/rights of the unit holders include:

- The beneficial interest of each Unitholder shall be equal and limited to the proportion of the number of Units held by the Unitholder to the total number of Units. Each Unit represents an undivided beneficial interest in the Capital Infra Trust (formerly known as National Infrastructure Trust) ('the Trust').
- Right to receive income or distributions with respect to the units held.
- Right to attend the annual general meeting and other meetings of the unit holders which are conducted in accordance with the SEBI Regulations.
- Right to vote upon any matter/resolutions proposed in relation to the unitholders.
- Right to receive periodic information-the Investment Manager, on behalf of the Capital Infra Trust (formerly known as National Infrastructure Trust), shall also submit such information to the Stock Exchange and the Unitholders, on a periodical basis as may be required under the InvIT Regulations and as per the Listing Agreement entered into with the Stock Exchange. The Investment Manager (on behalf of the Trust) shall disclose to the Stock Exchange, the Unitholders and SEBI, all such information and in such manner as specified under the InvIT Regulations and such other requirements as may be specified by SEBI.
- Any buyback and de-listing of Units shall be in accordance with the Trust Deed and the SEBI Regulations.
- The Investment Manager shall ensure adequate and timely redressal of all Unitholders' grievances pertaining to the activities of the Capital Infra Trust (formerly known as National Infrastructure Trust) and the Trustee shall periodically review the status of Unitholders' complaints and their redressal undertaken by the Investment Manager. The Investment Manager shall maintain records of the Unitholders' grievances and the actions taken thereon, including copies of correspondences made with the Unitholders.
- No unitholder of the Trust shall enjoy superior voting or any other rights over another Unitholder. Further, the Units shall not have multiple classes. However, subordinate Units may be issued only to the Sponsor and its Associates, where such subordinate units carry only inferior voting or any other rights compared to other units in the future in accordance with Regulation 4(2)(h) of the SEBI Regulations.
- In terms of the SEBI Regulations the Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the SEBI Regulations.

**Limitations to the liability of unitholders:**

A Unitholder has no equitable or proprietary interest in the InvIT Assets and is not entitled to transfer of the InvIT Assets (hereinafter referred as the Trust assets) (or any part thereof) or any interest in the InvIT Assets (or any part thereof) of the Trust. A Unitholder's right is limited to the right to require due administration of the Capital Infra Trust (formerly known as National Infrastructure Trust) in accordance with the provisions of the Trust Deed and the Investment Management Agreement.

Contingent Liabilities as at 31 March 2026 is Nil (31 March 2025: Nil)

**B. Contingent asset**

The Trust is entitled to receive funds based on claims submitted by the subsidiaries namely HHHL, GNHL and DUHL to NHAI under the 'Change in Laws' or 'Change in Scope' provisions of the Concession Agreement. The actual receipt of funds from sponsor is contingent upon the difference between the claimed amount and the amount received from NHAI, discounted at the cost of equity applicable at the time of listing of the Units. The inflow of economic benefits is not presently probable and the realization of income is not virtually certain. Accordingly, this amount has not been recognized as an asset in the financial statements.

Further, during the year ended 31 March 2026, the trust has received certain amounts as indemnification from the Sponsor, refer note 3A.

30 Fair values disclosures

i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the Balance Sheet are divided into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

**Level 1:** Quoted prices (unadjusted) in active markets for financial instruments.

**Level 2:** Inputs are other than quoted prices included within level-1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

**Level 3:** Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The Trust's risk management is carried out by a project finance team and treasury team under policies approved by Board of Directors of Investment manager. The Board of Directors of Investment manager provides principles for overall risk management, as well as policies covering specific areas, such as interest rate risk, credit risk and investment of excess liquidity.

**A) Credit risk**

Credit risk is the risk that a counterparty fails to discharge an obligation to the Trust. The Trust is exposed to this risk for various financial instruments, for example by granting loans and making deposits, etc. The Trust's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets:

- cash and cash equivalents,
- investments,
- loans carried at amortised cost,
- deposits with banks.

**a) Credit risk management**

The Trust assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of counterparties, identified either individually or by the Trust, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Trust assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i) Low credit risk
- (ii) Moderate credit risk
- (iii) High credit risk

**Assets under credit risk :**

**Cash and cash equivalents and bank balances other than cash and cash equivalents**

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

**Loans and non-current investments measured at amortised cost**

Loans measured at amortised cost and loans given to related parties, the credit risk related to these financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

**b) Expected credit losses**

**Financial assets (other than trade receivables)**

The Trust provides for expected credit losses on loans and advances by assessing individual financial instruments for expectation of any credit losses.

- For cash and cash equivalents- Since the Trust deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents, other bank balances and bank deposits is evaluated as very low.
- For loans - Credit risk is evaluated based on the Trust's knowledge of the credit worthiness of those parties and loss allowance is measured. Since, this category includes loans which has been given to its subsidiary companies, credit risk in respect of these loans is evaluated as high.

**B) Liquidity risk**

Liquidity risk is the risk that the Trust may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Trust's objective is to, at all times, maintain optimum levels of liquidity to meet its cash and collateral obligations. The Trust requires funds both for short-term operational needs as well as for long-term investment programs mainly in growth projects. The Trust closely monitors its liquidity and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents, liquid investments and sufficient committed fund facilities, will provide liquidity.

**a) Financing arrangements**

The Trust does not have any undrawn borrowing as on 31 March 2026 and 31 March 2025.

(This space has been intentionally left blank)

**b) Maturities of financial liabilities**

The Tables below analyse the Trust's financial liabilities into relevant maturity categories based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows.

**C) Price risk**

**i) Exposure**

The Trust is not exposed to price risk as at balance sheet date.

**D) Interest rate risk**

**Liabilities**

The Trust's policy is to minimise interest rate cash flow risk exposures on long-term financing. At the reporting periods end, the Trust is exposed to changes in market interest rates through bank borrowings at variable interest rates. The Trust's investments in fixed deposits pay fixed interest rates.

*Interest rate risk exposure*

Below is the overall exposure of the Trust to interest rate risk:

\* Holding all other variables constant

**ii) Assets**

The Trust's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107 'Financial Instruments Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

**32 Capital management**

For the purpose of the Trust's capital management, capital includes issued unit capital and all other equity reserves attributable to the unit holders of the Trust. The primary objective of the Trust's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Trust manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Trust may return capital to shareholders or issue new shares. The Trust monitors capital using a gearing ratio, which is net debt divided by total equity. The Trust's policy is to keep the gearing ratio optimum. The Trust includes within its net debt, borrowings less cash and cash equivalents.

**To the Board of Directors of Gawar Investment Manager Private Limited (As the Investment Manager of Capital Infra Trust)**

## Opinions

1. We have audited the accompanying consolidated annual financial results ('the Statement') of Capital Infra Trust (formerly known as 'National Infrastructure Trust') and its subsidiaries (the Trust and its subsidiaries together referred to as 'the Group'), for the year ended 31 March 2026, attached herewith, being submitted by Gawar Investment Manager Private Limited ('the Investment Manager of the Trust') pursuant to the requirements of Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (as amended) ('the SEBI Regulations'), read with the SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025 ('SEBI Master Circular').
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate audited financial statements of the subsidiaries, as referred to in paragraph 12 below, the Statement:
  - (i) includes the annual financial results of the entities listed in Annexure 1;
  - (ii) presents financial results in accordance with the requirements of Regulation 23 of the SEBI Regulations read with the SEBI Master Circular in this regard; and
  - (iii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) ('Ind AS') and other accounting principles generally accepted in India, of the consolidated net profit after tax and other comprehensive income and other financial information of the Group, for the year ended 31 March 2026.

## Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing and other pronouncements issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence obtained by us together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 12 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

**Independent Auditor's Report on Consolidated Annual Financial Results of the Capital Infra Trust (formerly known as 'National Infrastructure Trust') ('the Trust') pursuant to the Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (as amended) and SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025 (Cont'd)**

## **Responsibilities of Investment Manager and Those Charged with Governance for the Statement**

4. The Statement has been prepared on the basis of the consolidated annual financial statements and has been approved by the Board of Directors of the Investment Manager of the Trust. The Investment Manager of the Trust is responsible for the preparation and presentation of the Statement that gives a true and fair view of the consolidated net profit after tax and other comprehensive income, and other financial information of the Group in accordance with the accounting principles generally accepted in India including the Ind AS and in compliance with the SEBI Regulations read with the SEBI Master Circular. Further, the respective Board of Directors of the Investment Manager of the Trust and of the companies included in the Group, are responsible for maintenance of adequate accounting records for safeguarding of the assets of the Group, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively, for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results, that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial results have been used for the purpose of preparation of the Statement by the Board of Directors of the Investment Manager of the Trust, as aforesaid.
5. In preparing the Statement, the respective Board of Directors of the Investment Manager of the Trust and of the companies included in the Group, are responsible for assessing the ability of the Group, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
6. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the Trust and companies included in the Group.

## **Auditor's Responsibilities for the Audit of the Statement**

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing issued by the ICAI will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
8. As part of an audit in accordance with the Standards on Auditing issued by the ICAI, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Trust has in place an adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls;

**Independent Auditor's Report on Consolidated Annual Financial Results of the Capital Infra Trust (formerly known as 'National Infrastructure Trust') ('the Trust') pursuant to the Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (as amended) and SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025 (Cont'd)**

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Investment Manager of the Trust;
  - Conclude on the appropriateness of use of the going concern basis of accounting by the respective Board of Directors and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
  - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation; and
  - Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement, of which we are the independent auditors. For the other entities included in the Statement, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
9. We communicate with those charged with governance, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
11. We also performed procedures in accordance with Regulation 13(2)(e) of the SEBI Regulations to the extent applicable.

## Other Matters

12. We did not audit the annual financial statements of 7 subsidiaries included in the Statement, whose financial information reflects total assets of ₹ 34,729.72 millions as at 31 March 2026, total revenues of ₹ ₹ 4,686.06 millions, total net profit after tax of ₹ 196.50 millions, total comprehensive income of ₹ 196.50 millions and net cash inflows of 1,718.72 millions for the year ended on that date, as considered in the Statement. These annual financial statements have been audited by other auditors whose audit reports have been furnished to us by the Investment Manager of the Trust, and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the audit reports of such other auditors. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and the reports of the other auditors.
13. The Statement includes the consolidated financial results for the quarter ended 31 March 2026, being the balancing figures between the audited consolidated figures in respect of the full financial year and the published unaudited year-to-date consolidated figures up to the third quarter of the current financial year, which were subject to limited review by us.

\*The distribution relates to the distributions made during the year and does not include the distribution relating to the last quarter of the respective financial year (i.e. quarter ended 31 March 2026 and quarter ended 31 March 2025) which is subsequently paid after 31 March 2026 and 31 March 2025 respectively. The distributions made by Trust to its unitholders are based on the Net Distributable Cash Flows ('NDCF') of the Trust under the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (SEBI Regulations).

\*In terms of Clause 4.2.8(b) of the SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July, 2025, the Trust is required to regroup the figures for Retained Earnings (under Other Equity) as a separate line item on the face of the Audited Consolidated Statement of Assets and Liabilities. Accordingly the Trust has regrouped the Repayment of Capital from Retained earnings to Distribution-Repayment of Capital.

## Notes:

1 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with the Debt Service Coverage Reserves mandated under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. (net of reversal of previous year).

2 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.

3 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on-14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.

4 During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.

## Notes:

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with interest and principal repayments under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. (net of reversal of previous year)
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.
- Pursuant to the distribution declared for the financial year ended 31 March 2025, an amount was to be distributed by the SPV to the Trust. As of 31 March 2026, out of the same certain amount remains outstanding. The pending balance is expected to be paid during the subsequent reporting period.

## Notes:

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with interest and principal repayments under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. (net of reversal of previous year).

Notes:

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with the Debt Service Coverage Reserves and interest and principal repayments mandated under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026 (net of reversal of previous year).
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.
- Pursuant to the distribution declared for the financial year ended 31 March 2025, an amount was to be distributed by the SPV to the Trust. As of 31 March 2026, out of the same certain amount remains outstanding. The pending balance is expected to be paid during the subsequent reporting period.

**Notes:**

- 1 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- 2 The reserve is primarily earmarked to cover statutory dues (net of any reversals) payable by the SPV as of 31 March 2026.
- 3 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- 4 During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF

Notes:

1 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.

2 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with interest and principal repayments under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. (net of reversal of previous year)

3 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on or 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.

4 During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting their day to day operations requirement. same has also been excluded.

Notes:

1 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.

2 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of , project management expenses, other contractual obligations and statutory dues together with the Debt Service Coverage Reserves and interest and principal repayment mandated under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties , for borrowings undertaken by Capital Infra Trust as of 31 March 2026. ( net of reversal of previous year)

3 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.

4 During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.

5 Pursuant to the distribution declared for the financial year ended 31 March 2025, an amount was to be distributed by the SPV to the Trust. As of 31 March 2026,out of the same certain amount remains outstanding. The pending balance is expected to be paid during the subsequent reporting period.

## Notes:

- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF.
- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular
- The reserve set aside primarily covers the payment of statutory dues by the SPV as of 31 March 2026, (net of reversal of provision utilised in previous period).

Notes:

- 1 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- 2 During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF.
- 3 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular
- 4 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of contractual obligations and statutory dues as of 31 March 2026. ( net of reversal of previous period).

## Notes:

- 1 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 23 December 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the period.
- 2 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular
- 3 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of, project management expenses, other contractual obligations and statutory dues together with interest and principal repayments under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026.
- 4 During the year ended 31 March 2026, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF

Notes:

1 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 23 December 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the period.

2 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular

3 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of, project management expenses, other contractual obligations and statutory dues together with the Debt Service Coverage Reserves and interest and principal payments mandated under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026.

4 During the year ended 31 March 2026, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF

- Notes:
- 1 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 23 December 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the period.
- 2 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- 3 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of , project management expenses, other contractual obligations and statutory dues as of 31 March 2026.
- 4 During the year ended 31 March 2026, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF.

**b. Project manager and investment management fees**

**(i) Project management fees**

Pursuant to the Project Management Agreement (PMA) entered into between Gawar Construction Limited ("Project Manager of the Trust"), Gawar Investment Manager Private Limited ("Investment Manager of the Trust"), Axis Trustee Services Limited ("Trustee to the Trust") and Initial Project SPVs (i.e. GRJHPL, GKBHPL, GNHPL, GRSHPL, HHHPL, GKNHPL, DUHPL, GBHPL, GNHPL-II) on 23 August 2024, the agreement became effective from 14 January 2025, which corresponds to the date on which the shareholding in the Initial Project SPVs is transferred to the Trust pursuant to the Initial Public Offer of Units by the Trust ("Effective Date").

Further, with respect to the acquisition of the new project SPVs, (i.e. JRR, HBHPL and KHPL), deeds of adherence to the Project Management Agreement ("PMA") were executed on 24 December 2025, pursuant to which the New Project SPVs became subject to the terms and conditions of the existing PMA.

Under this arrangement, the Project Manager is required to raise invoices for Operation and Maintenance fees on a monthly basis for services rendered to each Special Purpose Vehicle (SPV) during the given month. All invoices must be raised in accordance with the fee structure specified in the agreement. These monthly invoices are required to be submitted within 30 days following the close of each month and are payable within 30 days upon receipt. Additionally, the Project Manager shall raise invoices for major maintenance activities undertaken, basis the amount set out in the agreement.

The Consolidated Financial Results of the Trust include the following amounts paid towards project management fees-

**(ii) Investment management fees**

Pursuant to the Investment Management Agreement between Gawar Investment Manager Private Limited ("Investment Manager of the Trust"), Axis Trustee Services Limited ("Trustee to the Trust") and Initial Project SPVs (i.e. GRJHPL, GKBHPL, GNHPL, GRSHPL, HHHPL, GKNHPL, DUHPL, GBHPL, GNHPL-II) dated 10 November 2023. Further, with respect to the acquisition of the new project SPVs i.e. JRR, HBHPL, and KHPL (collectively, the "New SPVs"), deeds of adherence to the Investment Management Agreement (the "IM Agreement") were executed on 24 December 2025, pursuant to which the New SPVs became subject to the terms and conditions of the existing IM Agreement.

Investment Manager is entitled to fees @ 1.10% of the SPV's revenue calculated for each financial year, commencing from the financial year in which the Units are listed. The Investment Management Fees shall be borne by the SPVs. SPV revenue shall mean the amount received from National Highways Authority of India (NHAI) on account of annuity, interest, Operation and maintenance payment (including indexation) and claim amount received from NHAI (including change in law less any deferred premium payable, if any, to NHAI). For the calculation of Investment Management fees, inflows have been considered for the full financial year; however, expenses have been recognized on a proportionate basis from the date of effectiveness of the agreement.

During the year ended 31 March 2026, the Investment Management Agreement was amended to provide that, the Investment Manager shall be entitled to recover its management fees and applicable taxes from the Project SPVs or from the Trust. This amendment does not alter the quantum of fees approved under the existing Investment Management Agreement. Further, w.e.f. 01 April 2026, such IM fees shall be borne by the Trust only, as per the communication/understanding between the parties to the Investment Management Agreement.

\*Pertaining to income tax demands raised against the Gawar Kizilpur Nerchowk Private Limited, Gawar Namual Highway Private Limited, Gawar Khajuwala Bap Highway Private Limited, Gawar Ronna Hajar Highway Private Limited and Gawar Nainital Highways Private Limited.

\*\*Pertaining to indirect tax demands raised against the GKBHPL. The Project SPV has filed the requisite appeals with the department. Further few of the Project SPVs have received official summons / inquiries from the GST Department to seek certain clarifications, for which responses have been submitted or those Project SPVs are in the process of filing appropriate responses. The management believes that the ultimate outcome of those proceedings will not have a material impact on the Group's financial position and results of operations.

In accordance with Clause 9.4(c) of the Share Purchase Agreement (SPA), Gawar Construction Limited has agreed to indemnify the Trust against any tax liabilities related to the Project SPV for a period of eight years. This indemnification covers claims arising from the period up to and including the Closing Date, i.e. 14 January 2025.

| (F) Net Borrowing Ratio (D/E)                                                           | 40.86%                 | 47.10%                 |

1) In accordance with Regulation 20(3) of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 ("SEBI InvIT Regulations") read with the Debt Security Trust Deed ("DSTD") of the Trust, the Trust is required to maintain the consolidated Net Debt to Enterprise Value ("EV") ratio at or below 49%. During the previous quarters, the EV ratio had exceeded the 49% threshold on account of changes in asset values due to market movements. Accordingly, pursuant to Regulation 20(4) of the SEBI InvIT Regulations, the Investment Manager duly informed the Trustee of this breach vide communication dated 01 July 2025 and initiated steps to ensure compliance within the stipulated timeframe of six months.

During the year ended 31 March 2026, the Trust issued 4,32,61,000 Units to the Sponsor on a preferential basis at a price of ₹ 79.75 per unit, aggregating to a total consideration of ₹ 3,450.06 million. The proceeds from this preferential issue have been utilized towards prepayment of NCD's. In total, the Trust has made a prepayment of ₹ 4,200.00 million, out of which ₹ 3,450.06 million relates to the amount utilized from the preferential issue and remaining amount was utilized from internal accruals. Post receipt of the funds and prepayment of debt, the consolidated Net Debt to EV ratio is in compliance with the SEBI InvIT Regulations, and the same has been duly intimated by the Management to the Debenture Trustee vide communication dated 14 November 2025.

2) The Trust has raised senior, secured, taxable, rated, listed, redeemable, non-convertible debentures (NCDs) amounting to ₹ 12,000.00 million under Series I, carrying a coupon rate of 7.75% per annum. The outstanding balance as at 31 March 2026 stands at ₹ 9,749.77 millions (31 March 2025: ₹ 12,135.04 millions). The instrument provides for a reset of the coupon rate after three years from the date of allotment. The Trust has raised senior, secured, taxable, rated, listed, redeemable, non-convertible debentures (NCDs) amounting to ₹ 11,630.00 million under Series II. These instruments carried a coupon rate of 7.60% per annum up to March 04, 2026, which has been reset to 6.85% per annum effective 05 March 2026. The outstanding balance as at 31 March 2026 stands at ₹ 2,529.86 million (31 March 2025: ₹ 11,697.80 million). The instrument provides for a reset of the coupon rate on a yearly basis from the date of allotment. In accordance with the coupon reset clause of Debt Security Trust Deed, the Trust has mandatorily redeemed 85,138 units amounting to dissenting debenture holders ₹ 6,830.26 million.

3) During the year, the Trust has availed rupee term loans aggregating to ₹ 17,500.00 million, comprising a loan of ₹ 8,170.20 million disbursed by HDFC Bank Limited and a loan of ₹ 11,329.80 million disbursed by Union Bank of India. As at 31 March 2026, the outstanding balance under the HDFC Bank loan was ₹ 6,191.24 million (31 March 2025: Nil), while the outstanding balance under the Union Bank of India loan was ₹ 11,326.45 millions (31 March 2025: Nil). The loans are repayable in 51 structured quarterly instalments over their respective tenures, with repayments under the HDFC Bank facility commencing from April 2026 and ending in October 2038, and repayments under the Union Bank of India facility commencing from June 2026 and ending in December 2038. The HDFC Bank loan carries interest at a rate linked to the 3-month Repo Rate (Quarterly reset) plus a spread of 1.58%, resulting in an effective interest rate of 6.81% per annum (31 March 2025: Nil), while the Union Bank of India loan bears interest linked to the 3-month Treasury Bill rate plus a spread of 1.38%, resulting in an effective interest rate of 6.85% per annum (31 March 2025: Nil).

4) The borrowings at the Project SPV level included interest accrued on loans from the sponsor amounting to ₹ Nil (31 March 2025: ₹ 139.23 millions). This accrued interest outstanding as on 31 March 2025 has been fully repaid during the current reporting year on 31 March 2026.

- During the previous year ended 31 March 2025, the Trust has acquired 9 SPVs on 14 January 2025 (the acquisition date) from Gawar Construction Limited ("the Sponsor"), for an equity consideration of ₹ 16,494.60 millions. Accordingly, the financial results of the aforesaid subsidiaries for the period 14 January 2025 to 31 March 2025 have been considered in the audited consolidated financial results of the Group.
- During the year ended 31 March 2025, the Trust has completed its Initial Public Offer ("IPO") of 159,393,750 units with an issue price of ₹ 99 each unit, comprising offer for sale of 50,605,950 units by selling unitholder amounting to ₹ 5,009.98 millions and a fresh issue of 108,787,800 units amounting to ₹ 10,769.99 millions. Further the Trust got listed on the recognised Stock Exchanges (BSE & NSE) in India on 17 January 2025. The proceeds from the fresh issue (net of unit issue expenses) have been utilized for providing loans to the Project SPV for repayment of external loans and unsecured loans availed by the Project SPV's. Unit issue expenses amounting to ₹ 355.89 million in relation to fresh issue of units that has been reduced from the Unitholders capital in accordance with IND AS 32 Financial Instruments: Presentation. The actual expenses are marginally higher vis-à-vis the expenses as per the final offer documents filed with SEBI (that were based on management estimates then and were subject to change), consequent to subsequent accounting and recording of final expenditure.
- In accordance with Regulation 20(3) of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 ("SEBI InvIT Regulations") read with the Debt Security Trust Deed ("DSTD") of the Trust, the Trust is required to maintain the consolidated Net Debt to Enterprise Value ("EV") ratio at or below 49%. During the previous quarters, the EV ratio had exceeded the 49% threshold on account of changes in asset values due to market movements. Accordingly, pursuant to Regulation 20(4) of the SEBI InvIT Regulations, the Investment Manager duly informed the Trustee of this breach vide communication dated 01 July 2025 and initiated steps to ensure compliance within the stipulated timeframe of six months.  
 During the quarter ended 31 December 2025, the Trust issued 4,32,61,000 Units to the Sponsor on a preferential basis at a price of ₹79.75 per unit, aggregating to a total consideration of ₹3,450.06 million. The proceeds from this preferential issue have been utilized towards prepayment of NCD. In total, the Trust has made a prepayment of ₹4,200 million, out of which ₹3,450.06 million relates to the amount utilized from the preferential issue and remaining amount was utilized from internal accruals. Post receipt of the funds and prepayment of debt, the consolidated Net Debt to EV ratio is in compliance with the SEBI InvIT Regulations, and the same has been duly intimated by the Management to the Debenture Trustee vide communication dated 14 November 2025.
- During the year ended 31 March 2026, the Trust carried out a Qualified Institutional Placement ("QIP") and issued 17,28,90,733 Units at a price of ₹ 72.30 per Unit, aggregating to ₹ 12,500.00 million. Out of the ₹ 12,500.00 million raised through the QIP, ₹ 4,383.82 million has been utilised for the acquisition of Hasanpur Bakhtiyarpur Highway Private Limited, JRR Highways Private Limited, and Korba Highway Private Limited — from Gawar Constructions Limited ("Sponsor") and ₹ 8,116.18 million has been utilised for repayment of outstanding senior debt from external lenders and unsecured loans availed by these Target SPVs from the Sponsor.
- Pursuant to the Share Purchase Agreements dated 08 December 2025, the Trust has acquired 3 SPVs on 23 December 2025 (the acquisition date) from Gawar Construction Limited ("the Sponsor"), for an equity consideration of ₹ 4,383.82 millions. Accordingly, the financial results of the aforesaid subsidiaries for the period 23 December 2025 to 31 March 2026 have been considered in the audited consolidated financial results of the Group.  
 The management applied the optional concentration test, under Ind AS 103 "Business Combination", and concluded that the acquired set of activities and assets is not a business because substantially all of the fair value of the gross assets acquired is concentrated in Receivable under Service Concession Arrangements with similar risk characteristics. Accordingly, this transaction has been accounted for as an asset acquisition. The management identified and recognized the individual identifiable assets acquired and liabilities assumed; and allocated the purchase consideration to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of acquisition.

## Independent Auditor's Report

To the Unitholders' of Capital Infra Trust (formerly known as National Infrastructure Trust)

## Report on the Audit of the Consolidated Financial Statements

### Opinion

1. We have audited the accompanying consolidated financial statements of Capital Infra Trust (formerly known as National Infrastructure Trust) ('the Trust') and its subsidiaries (the Trust and its subsidiaries together referred to as 'the Group'), as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at 31 March 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows, the Consolidated Statement of Changes in Unit Holders' Equity and the Consolidated statement of Net Distributable Cash Flows for the year then ended and notes to the consolidated financial statements, including a material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, as referred to in paragraph 16 below, the aforesaid consolidated financial statements give the information required by the Securities and Exchange Board of India (Infrastructure Investment Trust) Regulation, 2014 as amended from time to time ('SEBI Regulations') including SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July 2025 ('SEBI Master Circular') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards as defined in the Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) ('Ind AS') and other accounting principles generally accepted in India of the consolidated state of affairs of the Group as at 31 March 2026, and their consolidated profit (including other comprehensive income), consolidated cash flows, consolidated changes in unitholder's equity and consolidated net distributable cash flows for the year ended on that date.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing and other pronouncements issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 16 of the Other Matter section below, is sufficient and appropriate to provide a basis for our opinion.

## Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

## **Information other than the Consolidated Financial Statements and Auditor's Report thereon**

6. The Board of Directors of Investment Manager of the Trust are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## **Responsibilities of Investment Manager and Those Charged with Governance for the Consolidated Financial Statements**

7. The accompanying consolidated financial statements have been approved by the Board of Directors of the Investment Manager of the Trust. The Investment Manager of the Trust is responsible for the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows, consolidated changes in unit holders' equity and consolidated net distributable cash flows of the Group in accordance with the accounting principles generally accepted in India including the Ind AS and the SEBI Regulations read with the SEBI Master Circular. The respective Board of Directors of the Investment Manager of the Trust and of the companies included in the Group are responsible for maintenance of adequate accounting records for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Investment Manager of the Trust, as aforesaid.
8. In preparing the consolidated financial statements, the respective Board of Directors of the Investment Manager of the Trust and of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
9. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the Trust and companies included in the Group.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, issued by the ICAI, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
11. As part of an audit in accordance with Standards on Auditing issued by the ICAI we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Trust has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Investment Manager of the Trust;
  - Conclude on the appropriateness of use of the going concern basis of accounting by the respective Board of Director and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
  - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
  - Obtain sufficient appropriate audit evidence regarding the financial statements of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated financial statements, of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
15. We also performed procedures in accordance with Regulation 13(2)(e) of the SEBI Regulations to the extent applicable.

These financial statements have been audited by other auditors whose reports have been furnished to us by the Investment Manager of the Trust and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, are based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

## **Report on Other Legal and Regulatory Requirements**

17. Based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 16 above on separate financial statements of the subsidiaries, and as required by the SEBI Master Circular, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
  - b) the Consolidated Balance Sheet and Consolidated Statement of Profit and Loss (including Other comprehensive Income) are in agreement with the relevant books of account maintained for the purpose of preparation of consolidated financial statements;
  - c) in our opinion, the aforesaid consolidated financial statements comply with Ind AS.
  - d) the 'Consolidated Statement of Net Assets at Fair Value' is prepared in accordance with the requirements of the SEBI Regulations and the circulars issued thereunder; and
  - e) the 'Consolidated Statement of Total Returns at Fair Value' is prepared in accordance with the requirements of the SEBI Regulations and the circulars issued thereunder.

<sup>A</sup> The distribution relates to the distributions made during the year and does not include the distribution relating to the last quarter of respective financial year (i.e quarter ended 31 March 2026 and quarter ended 31 March 2025) which is subsequently paid after 31 March 2026 and 31 March 2025 respectively. The distributions made by Trust to its unitholders are based on the Net Distributable Cash Flows ("NDCF") of the Trust under the SEBI (Infrastructure Investment Trusts) Regulations, 2014 (SEBI Regulations).

<sup>A</sup>In terms of Clause 4.2.8(b) of the SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July, 2025, the Trust is required to regroup the figures for Retained Earnings (under Other Equity) as a separate line item on the face of the Audited Consolidated Statement of Assets and Liabilities. Accordingly the Trust has regrouped the Repayment of Capital from Retained earnings to Distribution-Repayment of Capital.

Notes:

- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with the Debt Service Coverage Reserves mandated under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. (net of reversal of previous year).
- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting their day to day operations requirement, same has also been excluded.

**Notes:**

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with interest and principal repayments under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. ( net of reversal of previous year)
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.
- Pursuant to the distribution declared for the financial year ended 31 March 2025, an amount was to be distributed by the SPV to the Trust. As of 31 March 2026, out of the same certain amount remains outstanding. The pending balance is expected to be paid during the subsequent reporting period.

Notes:

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPVs for meeting there day to day operations requirement, same has also been excluded.
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with interest and principal repayments under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. ( net of reversal of previous year).

**Notes:**

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with the Debt Service Coverage Reserves and interest and principal repayments mandated under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026 (net of reversal of previous year).
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.
- Pursuant to the distribution declared for the financial year ended 31 March 2025, an amount was to be distributed by the SPV to the Trust. As of 31 March 2026, out of the same certain amount remains outstanding. The pending balance is expected to be paid during the subsequent reporting period.

Notes:

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- The reserve is primarily earmarked to cover statutory dues (net of any reversals) payable by the SPV as of 31 March 2026.
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF.

Notes:

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with interest and principal repayments under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. (net of reversal of previous year)
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.

**Notes:**

- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with the Debt Service Coverage Reserves and interest and principal repayment mandated under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties, for borrowings undertaken by Capital Infra Trust as of 31 March 2026. ( net of reversal of previous year)
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF. Additionally, in the current period the trust has extended unsecured loans to the project SPV's for meeting there day to day operations requirement, same has also been excluded.
- Pursuant to the distribution declared for the financial year ended 31 March 2025, an amount was to be distributed by the SPV to the Trust. As of 31 March 2026, out of the same certain amount remains outstanding. The pending balance is expected to be paid during the subsequent reporting period.

**Notes:**

- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF.
- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular
- The reserve set aside primarily covers the payment of statutory dues by the SPV as of 31 March 2026. (Net of reversal of provision utilised in previous period).

**Notes:**

- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 14 January 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the previous period ended 31 March 2025.
- During the previous year ended 31 March 2025, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF.
- As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular
- The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of contractual obligations and statutory dues as of 31 March 2026. ( net of reversal of previous period).

**Notes:**

- 1 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 23 December 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been separately disclosed in the NDCF computation during the period.
- 2 As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular
- 3 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with interest and principal repayments under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties , for borrowings undertaken by Capital Infra Trust as of 31 March 2026.
- 4 During the year ended 31 March 2026, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF

- Notes:
- Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 23 December 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been seperately disclosed in the NDCF computation during the period.
  - As per revised NDCF framework, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular
  - The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of project management expenses, other contractual obligations and statutory dues together with the Debt Service Coverage Reserves and interest and principal payments mandated under the loan agreement, originally executed between the Trust and the external lender, to which the Project SPVs are parties , for borrowings undertaken by Capital Infra Trust as of 31 March 2026.
  - During the year ended 31 March 2026, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above compilation of NDCF

Notes:

1 Amount reflected in opening cash and bank balance (including FDR) represents surplus available in the SPV on on 23 December 2025 (acquisition date) pursuant to acquisition of such SPV by the Trust and hence has been seperately disclosed in the NDCF computation during the period.

2 As per revised NDCF framowork, minimum up to 90% of the NDCF should be distributed by the SPV to the Trust. Accordingly, amount set aside by SPV for up to 10% of NDCF is in-line with the framework notified under SEBI Master Circular.

Capital Infra Trust (formerly known as National Infrastructure Trust)  
Statement of Net Distributable Cash Flows for the year ended 31 March 2026  
(All amounts in ₹ millions unless otherwise stated)

- 3 The reserves set aside primarily represent amounts earmarked by the SPV to meet identified obligations, including the payment of other contractual obligations, project management expenses, and statutory dues as of 31 March 2026.
- 4 During the year ended 31 March 2026, the Trust has extended loans to the SPV for repayment of external debt. Such utilisation is in the nature of refinancing and has been excluded in above computation of NDCF.

The accompanying notes form an integral part of the Consolidated Financial Statements.

This is the Statement of Net Distributable Cash Flows referred to in our report of even date.

The Project SPVs (JRR, KHPL and HBHPL) are companies domiciled in India which have their registered office at DSS-378 SECTOR 18-17, Hissar, Haryana, India, 125001. These SPVs have entered into concession agreements with National Highways Authority of India (NHAI) to construct and operate road projects under the Hybrid Annuity Model (HAM) in various locations in India.

The objectives of the Trust are to undertake activities as an infrastructure investment trust in accordance with the provisions of the SEBI Regulations and the Trust Deed. The principal activity of the Trust is to own and invest in the road sector in India. All the road projects are implemented and held through special purpose vehicles.

During the financial year ended 31 March 2025, the Trust acquired 100% equity control in nine Project SPVs (i.e. GRJHPL, GKBHPL, GNHPL, GRSHPL, HHHPL, GKNHPL, DUHPL, GBHPL, GNHPL II) from the Sponsor with effect from 14 January 2025. Further, during the financial year ended 31 March 2026, the Trust acquired 100% equity control in three additional Project SPVs (i.e. JRR, KHPL and HBHPL) from the Sponsor with effect from 23 December 2025. These SPVs have entered into concession agreements with the National Highways Authority of India (NHAI) for the design, rehabilitation, operation and maintenance of road projects under the Hybrid Annuity Model (HAM) across various

The address of the registered office of the Investment Manager is Unit No. 1401-1403, 14th floor, Tower B, SAS Tower, Medicity, Sector 38, Gurugram 122001, Haryana, India. The consolidated financial statements were authorised for issue in accordance with resolution passed by the Board of Directors of the Investment Manager on 19 May 2026.

1 (B) Standard issued but not yet effective

There are no new standards that are notified, but not yet effective, upto the date of issuance of the Trust's consolidated financial statements.

1 (C) Standards issued/amended and became effective

Ministry of Corporate Affairs ("MCA") notified new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules 2015, as issued from time to time.

MCA has notified below new amendments which were effective from 01 April 2025.

(i) Amendments to Ind AS 21 – Lack of exchangeability

MCA via notification dated 07 May 2025, announced amendments to Ind AS 21, The effects of Changes in Foreign Exchange Rates, to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments do not have a material impact on the Group's financial statements.

(ii) Amendments to Ind AS 1 – Classification of liabilities as current or non-current liabilities with covenants

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1, Presentation of Financial Statements, which elaborate on guidance set out in Ind AS 1 by:

- Clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period;
  - o Must have substance; and
  - o Must exist at the end of the reporting period;
- Stating that management's expectations around whether the settlement of a liability would be deferred or not, does not impact the classification of the liability;
- Including requirements of liabilities that can be settled using an entity's own instruments; and
- Stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current and non-current.

In addition an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Group's financial statements.

(iii) Amendments to Ind AS 7 and Ind AS 107 – Supplier finance arrangements

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instrument: Disclosures and which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affects an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Group's financial statements

(iv) Amendments to Ind AS 12 – International tax reform – pillar two model rules

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12, Income taxes, which includes:

- A temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the pillar two model rules; and
- Additional disclosure requirements targeted at a reporting entity's exposure to income taxes in period in which the pillar two model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Group's financial statements.

## 2 Material accounting policy information

### a) Overall consideration

The consolidated financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the consolidated financial statements.

#### (i) Basis of preparation and presentation

The consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting Standards and/or any addendum thereto as defined in the Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rule, 2015, as amended ('Ind AS') and SEBI (Infrastructure Investment Trusts) Regulations, 2014, as amended and the circulars issued thereunder ("SEBI Regulations") including SEBI Master Circular SEBI/HO/DDHS-PoD-2/P/CIR/2025/102 dated 11 July, 2025 ('the SEBI Master Circular') (as amended). The Group has uniformly applied the accounting policies during the periods presented.

The Consolidated financial statements are presented in India Rupees which is also the functional currency of the Group and all values are rounded to the nearest millions, unless otherwise indicated. Certain amounts that are required to be disclosed and do not appear due to rounding-off are expressed as 0.00.

These Consolidated Financial Statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the consolidated financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities, which are measured at fair values as explained in relevant accounting policies.

The Consolidated Financial Statements for the year ended 31 March 2026 were authorized and approved for issue by the Board of Directors of Gawar Investment Manager Private Limited (the 'Investment Manager' of the Trust) on 19 May 2026. The revision to the consolidated financial statements is permitted by the Board of Directors of Investment Manager after obtaining necessary approvals or at the instance of regulatory authorities.

#### (ii) Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Trust and its subsidiaries as at 31 March 2026. Control is achieved when the Group has power over the investee and is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group. The Group combines the financial statements of the Trust and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains on transactions between group companies are eliminated.

#### (iii) Use of estimates and judgements

The preparation of consolidated financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period. An overview of the areas that involve a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed have been disclosed below. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

Estimate and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under circumstances.

The estimates and assumptions that have significant risk of causing a material adjustment to the carrying amount of assets and liabilities are disclosed below:

#### • Revenue recognition - Applicability of service concession agreement accounting

Appendix D "Service concession arrangements" applies to "public to private" service concession arrangements, which can be defined as contracts under which the grantor transfers to a concession holder the right to deliver public services that give access to main public facilities for a specified period of time in return of managing the infrastructure used to deliver those public services.

More specifically, it applies to public to private service concession arrangement if the grantor:

- Controls or regulates what services the operators must provide with the infrastructure, to whom it must provide them, and at what price; and
- Controls through ownership or otherwise - any significant residual interest in the infrastructure at the end of the term of the arrangement.

Refer Note 2.3 (e) which explains revenue recognition where the estimates are involved to determine the relative selling prices of performance obligations under service concessions arrangements. The HAM revenue model based on which the revenue and finance income are recognized under the service concessions arrangements assumes certain estimates and assumptions based which the project effective internal rate of return (IRR) is calculated for finance income recognition. The key inputs of the model comprise of annuity and interest on annuity inflows, estimations on cost to build and maintain the asset and other operational costs. These inputs are based on circumstances existing and management judgement / assumption on the future expectations based on current situations. Judgements include management view on expected earnings in future years, changes in interest rates, cost inflation, government policy changes, etc.

• **Provisions and liabilities**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

• **Evaluation of indicators for impairment of assets**

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

• **Recognition of deferred tax assets**

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

• **Recoverability of advances/ receivables**

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

• **Contingent liabilities**

The Group is the subject of legal proceedings and tax issues covering a range of matters, which are pending in various jurisdictions. Due to the uncertainty inherent in such matters, it is difficult to predict the final outcome of such matters. The cases and claims against the Group often raise difficult and complex factual and legal issues, which are subject to many uncertainties, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law. In the normal course of business management consults with legal counsel and certain other experts on matters related to litigation and taxes. The Group accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated.

• **Fair value measurements**

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. The Group engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of are disclosed in the notes to consolidated financial statements.

• **Income taxes**

The Groups tax jurisdiction is in India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. The extent to which deferred tax assets/minimum alternate tax credit can be recognized is based on management's assessment of the probability of the future taxable income against which the deferred tax assets/minimum alternate tax credit can be utilized.

• **Fair valuation and disclosures**

SEBI Master Circular issued under the SEBI Regulations requires disclosures relating to net assets at fair value and total returns at fair value. In estimating the fair value of investments in subsidiaries (which constitute substantial portion of the net assets), the Trust engages independent qualified external valuers to perform the valuation. The Investment Manager of the Trust works closely with the valuers to establish the appropriate valuation techniques and inputs to the model. The inputs to the valuation models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as Weighted average cost of capital ('WACC'), tax rates, inflation rates etc. Changes in assumptions about these factors could affect the fair value.

• **Acquisition of subsidiaries**

For the acquisitions in the current year, the Investment manager has applied the optional concentration test under Ind AS 103 and concluded that the acquired set of activities and assets is not a business because substantially all of the fair value of the gross assets acquired is concentrated in receivables under service concession arrangements, with similar risk characteristics. Accordingly, this transaction has been accounted for as an asset acquisition.

**b) Asset acquisition**

In case of acquisition of an asset or a group of assets that does not constitute a business, the Group identifies and recognises individual identifiable assets acquired and liabilities assumed. The cost of the group shall be allocated to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of purchase. Such a transaction or event does not give rise to goodwill.

**c) Basis of classification as current and non-current**

The Group presents assets and liabilities in the Consolidated balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period ; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets have been classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle of the Group is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. As the Group's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

(This space has been intentionally left blank)

**d) Fair value measurement**

The Group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. Refer Note 33 for fair value hierarchy.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

**Level 1** - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

**Level 2** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

**Level 3** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets such as annuity and intangible assets, where required. Involvement of external valuers is decided by the Group on a need basis and relevant approvals. The valuers involved are selected based on criteria like market knowledge, reputation, independence and professional standards. The Group after discussion with the external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the Group analyses the movement of assets and liabilities which are required to be remeasured or reassessed as per the Group's accounting policies. For this analysis, the Group verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management in conjunction with the external valuers also compares the change in fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes:

- Disclosures of Statement of Net Assets at fair value and Statement of total returns at fair value
- Quantitative disclosures of fair value measurement hierarchy (note 33)
- Financial instruments (including those carried at amortized cost) (note 32)

**e) Revenue Recognition**

To determine whether to recognize revenue, the Group follows a 5-step process:

- Identifying the contract with a customer
- Identifying the performance obligations
- Determining the transaction price
- Allocating the transaction price to the performance obligations
- Recognizing revenue when/as performance obligation(s) are satisfied.

In all cases, the total transaction price is allocated amongst the various performance obligations based on their relative standalone selling price. The transaction price excludes amounts collected on behalf of third parties. The consideration promised include fixed amounts, variable amounts, or both. The specific recognition criteria described below must also be met before revenue is recognized.

**Contract revenue (Construction contracts)**

Contract revenue associated with the construction of roads is recognized at cost of work performed on the contract plus proportionate margin, where required, using the percentage of completion method.

Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs. Percentage of completion is determined based on the proportion of actual cost incurred to the total estimated cost of the project. The percentage of completion method is applied in each accounting period to the current estimates of contract revenue and contract costs. The effect of a change in the estimate of contract revenue or contract costs, or the effect of a change in the estimate of the outcome of a contract, is accounted for as a change in accounting estimate and the effect of which are recognized in the statement of profit or loss in the period in which the change is made and in subsequent periods.

Contract cost include costs that relate directly to the specific contract and allocated cost that are attributable to the construction of the road.

For the purposes of recognising revenue, contract revenue comprises the initial amount of revenue agreed in the contract, the variations in contract work, claims and incentive payments to the extent that it is probable that they will result in revenue, and they are capable of being reliably measured.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognized as an expense in the Consolidated Statement of Profit and Loss in the period in which such probability occurs.

**Operation and maintenance Income**

Revenue from rendering of services is recognised over time as the customer receives the benefit of the Group's performance and the Group has an enforceable right to payment for services transferred.

**Income from Service Concession Arrangement (Finance Income)**

Group recognizes the considerations given by the grantor i.e. National Highways Authority of India ('NHAI') in accordance with the Appendix D to Ind AS 115 – Service Concession Arrangements under financial assets model. Under financial assets model, Group has an unconditional contractual right to receive cash i.e. fixed annuity after concession period including interest thereon. The finance income is calculated on the basis of the effective interest rate in accordance with the Ind AS 109.

**Variable consideration**

Group's claim for bonus, change in law and other claims in rates relating to execution of contracts are recognized when it becomes probable that such claims will be received and which can be measured reliably. Claims under arbitration/disputes are accounted as income when the same becomes virtually certain. Expenses on arbitration are accounted as incurred.

**Interest income**

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest is accrued on time proportion basis, by reference to the principle outstanding at the effective interest rate.

**Other operating income/ other income**

All other operating income/ income is recognised on accrual basis when no significant uncertainty exists on their receipt.

At

**f) Taxation**

**Current Income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income tax relating to items recognized outside statement of profit or loss is recognized outside statement of profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred tax**

Deferred tax is recognized on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside statement of profit or loss is recognized outside statement of profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable Group and the same taxation authority.

**g) Financial asset under Service Concession Agreement**

Under the arrangement, the Group recognizes a financial asset arising from service concession agreement as it has an unconditional right to receive cash from grantor (NHA) for the construction service, major maintenance obligations and regular operation and maintenance services over the concession period. Such financial asset is measured at fair value on initial recognition and classified under the head "Other Financial Assets". Subsequent to initial recognition, the financial asset is measured at amortized cost. Under this model, the financial asset will be reduced as and when grant is received from Grantor (NHA).

As per the salient feature of the arrangement, the operator has a two-fold activity based on which revenue is recognized in the financial statements in line with the requirement of Appendix C of Ind AS 115. The activities are given below:

- construction activity in respect of its obligation to design, build, finance an asset that it makes available to the Grantor (NHA);
- Revenue from major maintenance obligation and operation and maintenance activity in respect of the assets during the concession period in accordance with Ind AS 115.

**h) Provisions, contingent liabilities and contingent assets**

Provisions are recognized when the Group has a present obligation (legal or constructive), as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are disclosed only when inflow of economic benefits therefrom is probable and recognized only when realization of income is virtually certain.

**i) Financial Instruments**

**Financial assets**

*Initial recognition and measurement*

All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price determined under Ind AS 115.

*Subsequent measurement*

**a) Financial assets at amortised cost-** A financial instrument is measured at amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest method.

**b) Financial assets at fair value**

Mutual funds – All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

*De-recognition of financial assets*

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

#### Financial liabilities

##### Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

##### Subsequent measurement

After initial recognition, the financial liabilities are subsequently measured at amortised cost using effective interest method. Amortised cost is calculated after considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The effect of EIR amortisation is included as finance costs in the consolidated statement of profit and loss.

#### De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the consolidated statement of profit and loss.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### j) Impairment of financial assets

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a Group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets.

In accordance with Ind-AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets carried at amortised cost.

ECL is the weighted average of difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Group is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets; and
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

##### Trade receivables:

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109 'Financial Instruments', which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

##### Other financial assets:

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

#### k) Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset / cash generating unit is estimated. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount.

Impairment losses of continuing operations are recognized in the statement of profit and loss.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. The impairment loss recognized in prior accounting periods is reversed if there has been an increase in the recoverable value due to a change in estimate. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

#### l) Borrowing costs

Borrowing costs include interest calculated using the effective interest method, amortization of ancillary costs and other costs the Group incurs in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption. All other borrowing costs are charged to the consolidated statement of profit and loss as incurred.

#### m) Statements of net assets at fair value

The disclosure of Statement of Net Assets at Fair Value comprises of the fair values of the total assets and book value of the total liabilities of individual SPV's. The fair value of the assets is reviewed by the management, derived based on the fair valuation reports issued by the independent valuer appointed under the SEBI Regulations. The independent valuers are leading valuers with a recognized and relevant professional qualification as per SEBI regulations and valuation assumptions used are reviewed by the management at each balance sheet date.

AV

**n) Statement of total returns at fair value**

The disclosure of total returns at fair value comprises of the Total Comprehensive Income as per the Statement of Profit and Loss and Other Changes in Fair Value not recognized in Total Comprehensive Income. Other changes in fair value is derived based on the fair valuation reports issued by the independent valuer appointed under the SEBI Regulations.

**o) Unit holders equity and distribution**

Under the provisions of the SEBI Regulations, Trust is required to distribute to Unitholders not less than ninety percent of the net distributable cash flows of Trust for each financial period. Accordingly, a portion of the unitholders' equity contains a contractual obligation of the Trust to pay to its Unitholders cash distributions. The Unitholders' equity could therefore have been classified as compound financial instrument which contain both equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation.

However, in accordance with the SEBI Master Circular the unitholders' equity have been classified as equity in order to comply with the mandatory requirements of SEBI Master Circular dealing with the minimum disclosures for key financial statements. In line with the above, the distribution payable to unitholders is recognized as liability when the same is approved by the Investment Manager.

**p) Earning per unit**

Basic earnings per unit is calculated by dividing the net profit or loss attributable to unit holders of the Trust (after deducting preference dividends and attributable taxes if any) by the weighted average number of units outstanding during the period.

For the purpose of calculating diluted earnings per unit, the weighted average number of units outstanding during the period are adjusted for the effects of all dilutive potential units.

**q) Contributed equity**

Units are classified as equity. Incremental costs attributable to issue of units are directly recorded in equity, net of tax.

**r) Short-term employee benefits**

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

**s) Cash and cash equivalents**

Cash and cash equivalents in the Consolidated Balance Sheet comprise of cash at banks and on hand and short-term deposits with an original maturity of three months or less and which are subject to an insignificant risk of changes in value.

\*The Project SPV have filed a claim with NHAI for a change in law under GST. Pending the final decision, the aforesaid claim has been accounted for on a prudence basis in the consolidated financial statements. Furthermore, for SPVs where a partial claim has been received, the Sponsor is contesting the matter with NHAI for the balance amount.

In case the amount is not received, the Trust will be indemnified to receive funds based on claims submitted by the subsidiaries to NHAI under the 'Change in Laws' or 'Change in Scope' provisions of the Concession Agreement. The indemnified amount from the Sponsor is contingent upon the difference between the claimed amount and the amount received from NHAI, discounted at the cost of equity applicable at the time of listing of the Units.

Accordingly the amount of contingent assets will be recorded in the consolidated financial statements when it will be virtually certain as per the accounting principles generally accepted in India.

#Further, during the year ended 31 March 2026, the trust has recieved certain amounts as indemnification from the Sponsor, refer note 48 and 49.

33 Categories of financial instruments and fair value measurement hierarchy:

i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the Balance Sheet are divided into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

**Level 1:** Quoted prices (unadjusted) in active markets for financial instruments.

**Level 2:** Inputs are other than quoted prices included within level-1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

**Level 3:** Inputs is not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

iii) Fair value of instruments measured at amortised cost:

Fair value of instruments measured at amortised cost for which fair value is disclosed as follows using Level 3 inputs:

The management assessed that cash and cash equivalents, bank balances other than cash and cash equivalents, trade receivables, other current financial assets, trade payables, current borrowings and other current financial liabilities (except current maturities of long term borrowings, deferred payment liabilities and current portion of annuity receivable) is approximate to their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

- (a) Long-term fixed rate receivables are evaluated by the Group based on parameters such as interest rates, individual creditworthiness of the customer and other market risk factors.
- (b) The fair values of the Group's loans and receivables are determined by applying discounted cash flows ("DCF") method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting year. The own non-performance risk as at the reporting period end was assessed to be insignificant.
- (c) All the other long term borrowing facilities availed by the Group are variable rate facilities which are subject to changes in underlying interest rate indices. Further, the credit spread on these facilities are subject to change with changes in Group's credit worthiness. The management believes that the current rate of interest on these loans are in close approximation from market rates applicable to the Group. Therefore, the management estimates that the fair value of these borrowings are approximate to their respective carrying values.

### 34 Financial risk management

#### i) Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk. The Board of Directors of the Investment Manager of the Trust has overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the Consolidated financial statements:

| Risk                             | Exposure arising from                                                                                                                               | Measurement                 | Management of group manages risks by                                        |

The Group's risk management is carried out by a project finance team and treasury team under policies approved by Board of Directors of respective SPVs. The management of the group provides principles for overall risk management, as well as policies covering specific areas, such as, interest rate risk, credit risk and investment of excess liquidity.

#### A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the group. The group is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The group's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets:

- cash and cash equivalents,
- trade receivables,
- other non-current and current financial assets
- deposits with banks.

#### a) Credit risk management

The group assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the group, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The group assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i) Low credit risk
- (ii) Medium credit risk
- (iii) High credit risk

#### Assets under credit risk

Cash and cash equivalents and bank balances other than cash and cash equivalents

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

Trade receivables

The Group has trade receivables primarily from NHAI. Credit risk related to these receivables is expected to be medium. Such receivables are managed by monitoring the recoverability of amounts continuously.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes security deposits, receivable under service concession agreement, receivable from related parties and other annuity receivable is primarily from government authority National Highways Authority of India ('NHAI'). Credit risk related to these receivables is managed by monitoring the recoverability of such amounts continuously. Credit risk related to these other financial assets (except annuity receivables) is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within the defined limits.

#### b) Expected credit losses

Trade receivables

The Group is engaged in infrastructure development business under Hybrid Annuity Mode ("HAM") projects. It currently derives its revenue primarily from hybrid annuity business. Since the receivables are from NHAI and various Government authorities, the credit risk with respect to such receivables from government institutions is expected to be very low and hence, no provision for expected credit loss is deemed necessary except in the case where individual receivables are known to be uncollectable.

Financial assets (other than trade receivables)

The Group provides for expected credit losses on loans and advances other than trade receivables by assessing individual financial instruments for expectation of any credit losses:

- For cash and cash equivalents and bank balances other than cash and cash equivalents - Since the group deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents, other bank balances and bank deposits is evaluated as very low.
- For other financial assets - Credit risk is evaluated based on the Group's knowledge of the credit worthiness of those parties and loss allowance is measured. Since, this category includes receivables of varied natures and purpose, there is no trend that the Group can draw to apply consistently to entire population.

Further during the year, the Group has not recognized any additional expected credit loss NIL (31 March 2025: Nil). There is no outstanding allowance of expected credit losses amounts as at 31 March 2026 NIL (31 March 2025: Nil).

**B) Liquidity risk**

Liquidity risk is the risk that the Group may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Group's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral obligations. The Group requires funds both for short-term operational needs as well as for long-term investment programs mainly in growth projects. The Group closely monitors its liquidity position and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents, liquid investments and sufficient committed fund facilities, will provide liquidity.

**a) Financing arrangements**

The group had access to undrawn borrowing facilities under the term loan agreement amounting to NIL (31 March 2025: NIL)

**b) Maturities of financial liabilities**

The tables below analyse the group's financial liabilities into relevant maturity categories based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows.

**C) Market risk**

**a) Interest rate risk**

**i) Liabilities**

The Group's policy is to minimise interest rate cash flow risk exposures on long-term financing. At the reporting periods end, the group is exposed to changes in market interest rates through bank borrowings at variable interest rates. The group's investments in fixed deposits pay fixed interest rates.

**Interest rate risk exposure**

Below is the overall exposure of the group to interest rate risk:

| Particulars                                                | As at<br>31 March 2026 | As at<br>31 March 2025 |

| Interest rates – increase by 100 bps* | 296.09                 | 236.30                 |
| Interest rates – decrease by 100 bps* | (296.09)               | (236.30)               |

\* Holding all other variables constant

**ii) Assets**

The Group's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107 'Financial Instruments Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

**35 Capital management**

For the purpose of the Group's capital management, capital includes issued unit capital and all other equity reserves attributable to the unit holders of the Group. The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise unitholder value. The Group manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may return capital to unitholders or issue new units. The Group monitors capital using a gearing ratio, which is net debt divided by total equity. The Group's policy is to keep the gearing ratio optimum. The Group includes within its net debt, borrowings less cash and cash equivalents.

**39 Acquisitions of subsidiaries**

**(a) During the year ended 31 March 2026**

Pursuant to the Share Purchase Agreements dated 08 December 2025, the Trust has acquired 3 Project SPVs (i.e. JRR, HBHPL and KHPL) on 23 December 2025 (the acquisition date) from Gawa Construction Limited ("the Sponsor"), for an equity consideration of ₹ 4,383.82 millions. Accordingly, the financial results of the aforesaid subsidiaries for the period 23 December 2025 to 31 March 2026 have been considered in the consolidated financial Statements of the Trust.

The management applied the optional concentration test, under Ind AS 103 "Business Combination", and concluded that the acquired set of activities and assets is not a business because substantially all of the fair value of the gross assets acquired is concentrated in Receivable under Service Concession Arrangements with similar risk characteristics. Accordingly, this transaction has been accounted for as an asset acquisition. The management identified and recognized the individual identifiable assets acquired and liabilities assumed; and allocated the purchase consideration to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of acquisition.

**40 Details of Project Management Fees and Investment Management Fees**

**i) Project Management Fees:**

(a) Pursuant to the Project Management Agreement (PMA) entered into between Gawar Construction Limited ("Project Manager of the Trust"), Gawar Investment Manager Private Limited ("Investment Manager of the Trust"), Axis Trustee Services Limited ("Trustee to the Trust") and Initial Project SPVs (i.e. GRJHPL, GKBHPL, GNHPL, GRSHPL, HHHPL, GKNHPL, DUHPL, GBHPL, GNHPL-II) on 23 August 2024, the agreement became effective from 14 January 2025, which corresponds to the date on which the shareholding in the Initial Project SPVs is transferred to the Trust pursuant to the Initial Public Offer of Units by the Trust ("Effective Date").

Further, with respect to the acquisition of the new project SPVs, (i.e. JRR, HBHPL, and KHPL), deeds of adherence to the Project Management Agreement ("PMA") were executed on 24 December 2025, pursuant to which the New Project SPVs became subject to the terms and conditions of the existing PMA.

Under this arrangement, the Project Manager is required to raise invoices for Operation and Maintenance fees on a monthly basis for services rendered to each Special Purpose Vehicle (SPV) during the given month. All invoices must be raised in accordance with the fee structure specified in the agreement. These monthly invoices are required to be submitted within 30 days following the close of each month and are payable within 30 days upon receipt. Additionally, the Project Manager shall raise invoices for major maintenance activities undertaken, basis the amount set out in the agreement.

**ii) Investment management fees**

Pursuant to the Investment Management Agreement between Gawar Investment Manager Private Limited ("Investment Manager of the Trust"), Axis Trustee Services Limited ("Trustee to the Trust") and Initial Project SPVs (i.e. GRJHPL, GKBHPL, GNHPL, GRSHPL, HHHPL, GKNHPL, DUHPL, GBHPL, GNHPL-II) dated 10 November 2023. Further, with respect to the acquisition of the new project SPVs i.e. JRR, HBHPL, and KHPL (collectively, the "New SPVs"), deeds of adherence to the Investment Management Agreement (the "IM Agreement") were executed on 24 December 2025, pursuant to which the New SPVs became subject to the terms and conditions of the existing IM Agreement.

Investment Manager is entitled to fees @ 1.10% of the SPV's revenue calculated for each financial year, commencing from the financial year in which the Units are listed. The Investment Management Fees shall be borne by the SPVs. SPV revenue shall mean the amount received from National Highways Authority of India (NHA) on account of annuity, interest, operation and maintenance payment (including Indexation) and claim amount received from NHA (including change in law less any deferred premium payable, if any, to NHA). For the calculation of Investment Management fees, inflows have been considered for the full financial year; however, expenses have been recognized on a proportionate basis from the date of effectiveness of the agreement.

During the year ended 31 March 2026, the Investment Management Agreement was amended to provide that, the Investment Manager shall be entitled to recover its management fees and applicable taxes from the the Project SPVs or from the Trust. This amendment does not alter the quantum of fees approved under the existing Investment Management Agreement. Further, w.e.f. 01 April 2026, such IM fees shall be borne by the Trust only, as per the communication/understanding between the parties to the Investment Management Agreement.
